PRODUCT OPTIONS

Summary:

- **Basic Option:**
 - You will be provided with a User Account on receipt of order
 - Please provide a main contact email address for the account
 - Please see the help documentation within the online product

- **Full Support Option: – Outsourced Training: QDP Services - 01625 464 194**
 - Please contact QDP Services highlighting ‘*RevisionPlan Full Support*’
 - QDP Services will arrange the User Account and provide training
 - On-site training will be charged – travel costs agreed prior to visit
 - QDP Services will manage telephone support calls – Monday to Friday
 - **Note:** Project Service aspects are not included within this option

- **Basic + Project Service Option:**
 - As **Basic Option** – plus:
 - Please provide the contact email address for your Project Coordinator
 - Correspondence will be via email only with the Project Coordinator
 - Initial templates (Project Defaults, Student Data, Subject Exams) will be sent to you for completion
 - On receipt of completed templates, a sanity check is carried out to ensure that the project data and student task workload fits for all students within the desired revision timeframe
 - On finalised and signed-off project student and subject settings, you will receive the subject Task proformas, the Task Cheat Sheet and the Project and Subject Task proforma deadline date
 - Subject teachers are able to upload and check the content of their Task proformas online, where any anomalies will need to be fixed or marked as ‘checked’ prior to the project deadline

PRODUCT OPTIONS

Summary (cont'd):

- The Project Coordinator will be informed of the Task completion status and outstanding items prior to the project deadline
 - Lists of Students and their Subjects will be provided via email for a cross check - there is the ability to override the original data to take into account recent student changes / events
 - Any final adjustments to Student data, eg: inclusion, exclusion and grades will need to be provided prior to the project deadline
 - The **RevisionPlans** will be created and: emailed, and/or zip file created where access to the zip file is via the RevisionPlan online product
 - **Note:** Printing of RevisionPlans does not form part of this service
 - **Note:** Access to individual RevisionPlans and the reports are available via the online product – all as Basic Option – requires the user to login
 - **Note:** Changes relating to: new Subjects, new Grade Bands, Exam dates Task numbers, Holidays, Days-Off, Revision Start Date, etc are all critical and can require the re-issue of the Subject Task proformas. Such changes may affect the completion of the RevisionPlan project and may cause a delay which goes past the intended start date
- **Full Support + Project Service Option:**
- As **Full Support Option** – plus:
 - As **Basic + Project Service Option** – plus:
 - Includes telephone support Monday - Friday
 - Includes help to setup project defaults
 - Includes help with data file, exam setup, tasks, subjects and settings
 - Includes help with access to RevisionPlans and the product reports
 - Printing service – excludes cost of printing & delivery – price on request
